On 11/11 and 11/12/2008, Cincinnati World Cinema showed Wong Kar Wai's "In the Mood for Love" at the Cincinnati Art Museum. This movie was presented in conjunction with the Cincinnati Art Museum's *China Design Now* exhibition. "In the Mood for Love" is the winner of Best Actor at the 2000 Cannes Film Festival and many other awards.

Professor Chenliang Sheng of the English Department of Northern Kentucky University was on hand to lead a discussion of the subtleties of this beautiful movie. Shown in photo above are Tim Swallow of the Cincinnati World Cinema with Professor Sheng. For more information on Cincinnati World Cinema [click here](#).
