

"Incredible!"

~ Peter Frampton

They were the virtuoso studio musicians who turned simple songs into the chart-topping mega-hits of the '60s and '70s ...

... for famous artists like the Beach Boys, 5th Dimension, Cher, Righteous Brothers, Mamas and Papas, Crystals, Sam Cooke, the Byrds, Frank Sinatra, Herb Alpert, and many more.

"A wonderful, touching and hilarious film about the unsung stars of so many records that you carry in your heart."

~ Elvis Costello
